7 steps to business online

a successful product and marketing strategy. You must understand your customer's needs and fears so you get down to how you can better help him/her. This means that later down the road when you want to make a recommendation to them about a product you will be offering, they will trust you.

TABLE OF - #1 Affiliate Marketing Website

therefore I'll make \$500 every day for the rest of the year. "Shit, I guess that means my salary is \$180K. Better go buy a new car." Until that 'future money' is in your bank, it doesn't exist. The worst part of projecting profits is the assumption that affiliate marketing has a finishing line, or a point at which your hard work pays off.
